How to Observe Thanksgiving

Count your blessings instead of your crosses.
Count your gains instead of your losses.
Count your joys instead of your woes.
Count your friends instead of your foes.
Count your smiles instead of your tears.
Count your courage instead of your fears.
Count your full years instead of your lean.
Count your kind deeds instead of your mean.
Count your health instead of your wealth.
Count on God instead of yourself.
A thankful heart doubles our blessings,
causing us to enjoy them twice—
when we receive them and when we remember them.
