## Something to Think About

He who is not grateful for what he does have will not be happy with the things that he desires to have.

He who is ungrateful in little will also be ungrateful in much!

If we are not thankful to God for the blessings He bestows, what reason is there to expect Him to bestow additional blessings?

If the blessings for which we are thankful were suddenly removed, then what would our lives really be like?

“Be careful for nothing: but in everything by prayer and supplication, with, let your requests be made known unto God” (Phil. 4:6).

May your blessings be many, and may your burdens be few on this day.
