The Voice of God

You've never heard the voice of God?
Look at the stars above,
Their luminous orbs of many rays,
Speak of infinite love.
The universe to you doth speak
You need not know her laws
The grass the flowers all growing things,
In them there are no flaws.
The seasons as they come and go
The wind, the sun, the rain;
The voice is there and every where,
It speaks and speaks again.
So lift your eyes to the starry sky,
And feel the voice of God.
Oh fainting heart, oh weary soul,
And His great works applaud.
